

ASFA L (9 mm) Counter-top Display Unit

This display unit permits an organized presentation of our hose clamps and makes it very easy to top up. It is ideal for use on sales counters where space is often at a premium. The design of these easy to use wall and counter-top displays, which are both attractive and well-organized means that you have the most commonly used dimensions at your disposal without taking up too much space. These units are an ideal promotional tool for all sales counters and sales points.
