

ASFA L (9 mm) and S (12 mm) Wall Displays

These wall-displays were designed to be hung on a wall in such a way that all the clamps are perfectly visible and are clearly identified. The design of these easy to use wall and counter-top displays, which are both attractive and well-organized means that you have the most commonly used dimensions at your disposal without taking up too much space. These units are an ideal promotional tool for all sales counters and sales points.
